## Abstracts

Dental practice management software is a category of specialized software designed to help dental practices manage their daily operations more efficiently. It can help automate a variety of tasks including patient appointments, billing and insurance claim management, staff scheduling, and more. The global dental practice management software market is likely to register a CAGR of over 9.57% with an incremental growth of USD 1.6 billion during the forecast period 2023-2029.

The report covers market size and growth, segmentation, regional breakdowns, competitive landscape, trends and strategies for global dental practice management software market. It presents a quantitative analysis of the market to enable stakeholders to capitalize on the prevailing market opportunities. The report also identifies top segments for opportunities and strategies based on market trends and leading competitors' approaches.

This industry report offers market estimates and forecasts of the global market, followed by a detailed analysis of the deployment mode, application, end user, and region. The global market for dental practice management software can be segmented by deployment mode: on-premise, web/cloud-based. The web/cloud-based segment captured the largest share of the market in 2022. Dental practice management software market is further segmented by application: patient communication software, invoice/billing software, payment processing software, insurance management, others. The patient communication software segment held the largest share of the global dental practice management software market in 2022 and is anticipated to hold its share during the forecast period. Based on end user, the dental practice management software market is segmented into: dental clinics, hospitals, others. In 2022, the dental clinics segment made up the largest share of revenue generated by the dental practice

management software market. On the basis of region, the dental practice management software market also can be divided into: North America, Europe, Asia-Pacific, MEA (Middle East and Africa), Latin America. Among these, North America was accounted for the highest revenue generator in 2022.

### Market Segmentation

By deployment mode: on-premise, web/cloud-based

By application: patient communication software, invoice/billing software, payment processing software, insurance management, others

By end user: dental clinics, hospitals, others

By region: North America, Europe, Asia-Pacific, MEA (Middle East and Africa), Latin America

The report also provides a detailed analysis of several leading dental practice management software market vendors that include ACE Dental Software, athenahealth, Inc., Carestream Dental, LLC, Curve Dental, Inc., Datacon Dental Systems, Inc., Henry Schein, Inc., Patterson Companies, Inc., among others. In this report, key players and their strategies are thoroughly analyzed to understand the competitive outlook of the market.

### Scope of the Report

To analyze and forecast the market size of the global dental practice management software market.

To classify and forecast the global dental practice management software market based on deployment mode, application, end user, region.

To identify drivers and challenges for the global dental practice management software market.

To examine competitive developments such as mergers & acquisitions, agreements, collaborations and partnerships, etc., in the global dental practice management software market.

To identify and analyze the profile of leading players operating in the global dental practice management software market.

### Why Choose This Report

Gain a reliable outlook of the global dental practice management software market forecasts from 2023 to 2029 across scenarios.

Identify growth segments for investment.

Stay ahead of competitors through company profiles and market data.

The market estimate for ease of analysis across scenarios in Excel format.  
Strategy consulting and research support for three months.  
Print authentication provided for the single-user license.

## Contents

### **PART 1. INTRODUCTION**

Report description  
Objectives of the study  
Market segment  
Years considered for the report  
Currency  
Key target audience

### **PART 2. METHODOLOGY**

### **PART 3. EXECUTIVE SUMMARY**

### **PART 4. MARKET OVERVIEW**

Introduction  
Drivers  
Restraints

### **PART 5. MARKET BREAKDOWN BY DEPLOYMENT MODE**

On-premise  
Web/cloud-based

### **PART 6. MARKET BREAKDOWN BY APPLICATION**

Patient communication software  
Invoice/billing software  
Payment processing software  
Insurance management  
Others

### **PART 7. MARKET BREAKDOWN BY END USER**

Dental clinics  
Hospitals  
Others

## **PART 8. MARKET BREAKDOWN BY REGION**

North America

Europe

Asia-Pacific

MEA (Middle East and Africa)

Latin America

## **PART 9. KEY COMPANIES**

ACE Dental Software

athenahealth, Inc.

Carestream Dental, LLC

Curve Dental, Inc.

Datacon Dental Systems, Inc.

Henry Schein, Inc.

Patterson Companies, Inc.
