The report provides in-depth analysis and insights regarding the current global market scenario, latest trends and drivers into global glass ceramics market. It offers an exclusive insight into various details such as market size, key trends, competitive landscape, growth rate and market segments. This study also provides an analysis of the impact of the COVID-19 crisis on the glass ceramics industry.

This industry report offers market estimates and forecasts of the global market, followed by a detailed analysis of the application, and region. The global market for glass ceramics can be segmented by application: aerospace and defense, automobile, building and construction, kitchenware, medical, optical, semiconductors, others. The semiconductors segment held the largest revenue share in 2021. Glass ceramics market is further segmented by region: Asia Pacific, Europe, North America, Rest of the World (RoW). Among these, Asia Pacific was accounted for the highest revenue generator in 2021.

By application:

aerospace and defense

automobile

building and construction

kitchenware

medical

optical

semiconductors

others

By region:

Asia Pacific

Europe

North America

Rest of the World (RoW)

The market research report covers the analysis of key stake holders of the global glass ceramics market. Some of the leading players profiled in the report include AGC Inc., Corning Inc., KYOCERA Corporation, Nippon Electric Glass Co., Ltd., Ohara Corporation, Plan Optik AG, Schott AG, among others.

Historical & Forecast Period

This research report provides analysis for each segment from 2018 to 2028 considering 2021 to be the base year.

Scope of the Report

To analyze and forecast the market size of the global glass ceramics market.

To classify and forecast the global glass ceramics market based on application, region.

To identify drivers and challenges for the global glass ceramics market.

To examine competitive developments such as mergers & acquisitions, agreements, collaborations and partnerships, etc., in the global glass ceramics market.

To identify and analyze the profile of leading players operating in the global glass ceramics market.

Why Choose This Report

Gain a reliable outlook of the global glass ceramics market forecasts from 2022 to 2028 across scenarios.

Identify growth segments for investment.

Stay ahead of competitors through company profiles and market data.

The market estimate for ease of analysis across scenarios in Excel format.

Strategy consulting and research support for three months.

Print authentication provided for the single-user license.
