Abstracts

Hand file tools are cutting tools that are used for shaping and smoothing various types of materials, including metal, wood, and plastic. They are commonly used in manufacturing, construction, and woodworking industries. The global hand file tools market is projected to rise by USD 103.3 million by 2029, according to the latest market study results. It is anticipated to expand at a CAGR of 4.16 percent during the forecast period.

The report covers market size and growth, segmentation, regional breakdowns, competitive landscape, trends and strategies for global hand file tools market. It presents a quantitative analysis of the market to enable stakeholders to capitalize on the prevailing market opportunities. The report also identifies top segments for opportunities and strategies based on market trends and leading competitors' approaches.

This industry report offers market estimates and forecasts of the global market, followed by a detailed analysis of the product, grades of cut, application, and region. The global market for hand file tools can be segmented by product: machinist files, saw files, others. According to the research, the machinist files segment had the largest share in the global hand file tools market. Hand file tools market is further segmented by grades of cut: bastard cut, second cut, smooth cut. In 2022, the bastard cut segment made up the largest share of revenue generated by the hand file tools market. Based on application, the hand file tools market is segmented into: metal working, woodworking. Among these, the metal working segment was accounted for the highest revenue generator in 2022. On the basis of region, the hand file tools market also can be divided into: North America, Europe, Asia-Pacific, MEA (Middle East and Africa), Latin America. Asia-Pacific captured the largest share of the market in 2022.

The machinist files market is further segmented into half-round files, hand and flat files,

round files, square files, triangle files, others. The latest analysis indicates that the hand and flat files segment occupied the largest share of this market in 2022 and is expected to draw the highest demand in coming years. Furthermore, the saw files market has been categorized into chainsaw files, mill files, taper files, others. Globally, the taper files segment made up the largest share of the hand file tools market.

Market Segmentation

By product: machinist files, saw files, others

By grades of cut: bastard cut, second cut, smooth cut

By application: metal working, woodworking

By region: North America, Europe, Asia-Pacific, MEA (Middle East and Africa), Latin America

The report explores the recent developments and profiles of key vendors in the Global Hand File Tools Market, including Adolf Wurth GmbH & Co. KG, Apex Tool Group, LLC, Falcon Tool Company, Inc., Hangzhou GreatStar Industrial Co., Ltd., ICS Cutting Tools Inc., JK Files Ltd. (Raymond Ltd.), Snap On Incorporated, Stanley Black & Decker, Inc., TSUBOSAN FILE CO., Ltd., among others. In this report, key players and their strategies are thoroughly analyzed to understand the competitive outlook of the market.

Scope of the Report

To analyze and forecast the market size of the global hand file tools market.

To classify and forecast the global hand file tools market based on product, grades of cut, application, region.

To identify drivers and challenges for the global hand file tools market.

To examine competitive developments such as mergers & acquisitions, agreements, collaborations and partnerships, etc., in the global hand file tools market.

To identify and analyze the profile of leading players operating in the global hand file tools market.

Why Choose This Report

Gain a reliable outlook of the global hand file tools market forecasts from 2023 to 2029 across scenarios.

Identify growth segments for investment.

Stay ahead of competitors through company profiles and market data.

The market estimate for ease of analysis across scenarios in Excel format.

Strategy consulting and research support for three months.

Print authentication provided for the single-user license.

Contents

PART 1. INTRODUCTION

Report description
Objectives of the study
Market segment
Years considered for the report
Currency
Key target audience

PART 2. METHODOLOGY

PART 3. EXECUTIVE SUMMARY

PART 4. MARKET OVERVIEW

Introduction
Drivers
Restraints

PART 5. MARKET BREAKDOWN BY PRODUCT

Machinist files
Saw files
Others

PART 6. MARKET BREAKDOWN BY GRADES OF CUT

Bastard cut
Second cut
Smooth cut

PART 7. MARKET BREAKDOWN BY APPLICATION

Metal working
Woodworking

PART 8. MARKET BREAKDOWN BY REGION

North America

Europe

Asia-Pacific

MEA (Middle East and Africa)

Latin America

PART 9. KEY COMPANIES

Adolf Wurth GmbH & Co. KG

Apex Tool Group, LLC

Falcon Tool Company, Inc.

Hangzhou GreatStar Industrial Co., Ltd.

ICS Cutting Tools Inc.

JK Files Ltd. (Raymond Ltd.)

Snap On Incorporated

Stanley Black & Decker, Inc.

TSUBOSAN FILE CO., Ltd.
