## Abstracts

Inhalation anesthetics are a group of drugs used to induce a state of unconsciousness during medical procedures, such as surgery. These anesthetics are usually administered through inhalation using a mask or a breathing tube and work by depressing the central nervous system, resulting in a loss of consciousness, pain sensation, and muscle tone. The analysis predicts the global inhalation anesthetics market will grow from USD 1,259.0 million in 2022 to USD 1,734.1 million by 2029, achieving a compound annual growth rate (CAGR) of 4.68 percent.

The report covers market size and growth, segmentation, regional breakdowns, competitive landscape, trends and strategies for global inhalation anesthetics market. It presents a quantitative analysis of the market to enable stakeholders to capitalize on the prevailing market opportunities. The report also identifies top segments for opportunities and strategies based on market trends and leading competitors' approaches.

This industry report offers market estimates and forecasts of the global market, followed by a detailed analysis of the type, end user, and region. The global market for inhalation anesthetics can be segmented by type: desflurane, sevoflurane, isoflurane, others. Among these, the sevoflurane segment was accounted for the highest revenue generator in 2022. Inhalation anesthetics market is further segmented by end user: hospitals, ambulatory surgical centers, others. The ambulatory surgical centers segment is estimated to account for the largest share of the global inhalation anesthetics market. Based on region, the inhalation anesthetics market is segmented into: North America, Europe, Asia-Pacific, MEA (Middle East and Africa), Latin America. North America held the largest share of the global inhalation anesthetics market in 2022 and is anticipated to hold its share during the forecast period.

## Market Segmentation

By type: desflurane, sevoflurane, isoflurane, others  
By end user: hospitals, ambulatory surgical centers, others  
By region: North America, Europe, Asia-Pacific, MEA (Middle East and Africa), Latin America

The report has also analysed the competitive landscape of the global inhalation anesthetics market with some of the key players being Abbvie Inc., Baxter International Inc., Piramal Enterprises Ltd., Hikma Pharmaceuticals plc, Merck KGaA, Fresenius Kabi AG, Dechra Pharmaceuticals plc, Jiangsu Hengrui Pharmaceuticals Co., Ltd., Lunan Pharmaceutical Group, among others. In this report, key players and their strategies are thoroughly analyzed to understand the competitive outlook of the market.

#### Scope of the Report

To analyze and forecast the market size of the global inhalation anesthetics market.  
To classify and forecast the global inhalation anesthetics market based on type, end user, region.

To identify drivers and challenges for the global inhalation anesthetics market.  
To examine competitive developments such as mergers & acquisitions, agreements, collaborations and partnerships, etc., in the global inhalation anesthetics market.  
To identify and analyze the profile of leading players operating in the global inhalation anesthetics market.

#### Why Choose This Report

Gain a reliable outlook of the global inhalation anesthetics market forecasts from 2023 to 2029 across scenarios.  
Identify growth segments for investment.  
Stay ahead of competitors through company profiles and market data.  
The market estimate for ease of analysis across scenarios in Excel format.  
Strategy consulting and research support for three months.  
Print authentication provided for the single-user license.

## Contents

### **PART 1. INTRODUCTION**

Report description  
Objectives of the study  
Market segment  
Years considered for the report  
Currency  
Key target audience

### **PART 2. METHODOLOGY**

### **PART 3. EXECUTIVE SUMMARY**

### **PART 4. MARKET OVERVIEW**

Introduction  
Drivers  
Restraints

### **PART 5. MARKET BREAKDOWN BY TYPE**

Desflurane  
Sevoflurane  
Isoflurane  
Others

### **PART 6. MARKET BREAKDOWN BY END USER**

Hospitals  
Ambulatory surgical centers  
Others

### **PART 7. MARKET BREAKDOWN BY REGION**

North America  
Europe  
Asia-Pacific

MEA (Middle East and Africa)  
Latin America

## **PART 8. KEY COMPANIES**

Abbvie Inc.  
Baxter International Inc.  
Piramal Enterprises Ltd.  
Hikma Pharmaceuticals plc  
Merck KGaA  
Fresenius Kabi AG  
Dechra Pharmaceuticals plc  
Jiangsu Hengrui Pharmaceuticals Co., Ltd.  
Lunan Pharmaceutical Group
