## Abstracts

According to market research study published by Gen Consulting Company, the market size of the global lactose intolerance treatment sector is expected to rise by USD 10 billion with a CAGR of 5.5% by the end of 2028.

The report provides in-depth analysis and insights regarding the current global market scenario, latest trends and drivers into global lactose intolerance treatment market. It offers an exclusive insight into various details such as market size, key trends, competitive landscape, growth rate and market segments. This study also provides an analysis of the impact of the COVID-19 crisis on the lactose intolerance treatment industry.

This industry report offers market estimates and forecasts of the global market, followed by a detailed analysis of the cause, treatment, form, end user, and region. The global market for lactose intolerance treatment can be segmented by cause: congenital lactose deficiency, primary lactose deficiency, secondary lactose deficiency. Lactose intolerance treatment market is further segmented by treatment: food supplements, lactase enzyme supplements, probiotics, others. Based on form, the lactose intolerance treatment market is segmented into: liquid, powder, tablets/capsules. On the basis of end user, the lactose intolerance treatment market also can be divided into: home care, hospitals & clinics. Lactose intolerance treatment market by region is categorized into: North America, Asia Pacific, Europe, Rest of the World (ROW).

By cause:

congenital lactose deficiency

primary lactose deficiency

secondary lactose deficiency

By treatment:

food supplements

lactase enzyme supplements

probiotics

others

By form:

liquid

powder

tablets/capsules

By end user:

home care

hospitals & clinics

By region:

North America

Asia Pacific

Europe

## Rest of the World (ROW)

The report explores the recent developments and profiles of key vendors in the Global Lactose Intolerance Treatment Market, including Abbott Laboratories, Arla Foods amba, Cargill, Incorporated, Dairy Farmers of America, Inc., Deerland Enzymes, Inc., Guardian Drug Company, Johnson & Johnson, Nestle S.A., Novozymes A/S, Ritter Pharmaceuticals, Inc., among others.

## Historical & Forecast Period

This research report provides analysis for each segment from 2018 to 2028 considering 2021 to be the base year.

## Scope of the Report

To analyze and forecast the market size of the global lactose intolerance treatment market.

To classify and forecast the global lactose intolerance treatment market based on cause, treatment, form, end user, region.

To identify drivers and challenges for the global lactose intolerance treatment market.

To examine competitive developments such as mergers & acquisitions, agreements, collaborations and partnerships, etc., in the global lactose intolerance treatment market.

To identify and analyze the profile of leading players operating in the global lactose intolerance treatment market.

## Why Choose This Report

Gain a reliable outlook of the global lactose intolerance treatment market

forecasts from 2022 to 2028 across scenarios.

Identify growth segments for investment.

Stay ahead of competitors through company profiles and market data.

The market estimate for ease of analysis across scenarios in Excel format.

Strategy consulting and research support for three months.

Print authentication provided for the single-user license.

## Contents

### **PART 1. INTRODUCTION**

Report description  
Objectives of the study  
Market segment  
Years considered for the report  
Currency  
Key target audience

### **PART 2. METHODOLOGY**

### **PART 3. EXECUTIVE SUMMARY**

### **PART 4. MARKET OVERVIEW**

Introduction  
Drivers  
Restraints  
Impact of COVID-19 pandemic

### **PART 5. MARKET BREAKDOWN BY CAUSE**

Congenital lactose deficiency  
Primary lactose deficiency  
Secondary lactose deficiency

### **PART 6. MARKET BREAKDOWN BY TREATMENT**

Food supplements  
Lactase enzyme supplements  
Probiotics  
Others

### **PART 7. MARKET BREAKDOWN BY FORM**

Liquid  
Powder

Tablets/capsules

## **PART 8. MARKET BREAKDOWN BY END USER**

Home care  
Hospitals & clinics

## **PART 9. MARKET BREAKDOWN BY REGION**

North America  
Asia Pacific  
Europe  
Rest of the World (ROW)

## **PART 10. KEY COMPANIES**

Abbott Laboratories  
Arla Foods amba  
Cargill, Incorporated  
Dairy Farmers of America, Inc.  
Deerland Enzymes, Inc.  
Guardian Drug Company  
Johnson & Johnson  
Nestle S.A.  
Novozymes A/S  
Ritter Pharmaceuticals, Inc.
