

# Global Managed Pressure Drilling Services (MPD) Market 2022-2028

<https://marketpublishers.com/r/G4C6AF2BE257EN.html>

Date: December 2022

Pages: 68

Price: US\$ 2,550.00 (Single User License)

ID: G4C6AF2BE257EN

## Abstracts

According to market research study published by Gen Consulting Company, the market size of the global managed pressure drilling services sector is expected to rise by USD 1.0 billion with a CAGR of 4.6% by the end of 2028.

The report covers market size and growth, segmentation, regional breakdowns, competitive landscape, trends and strategies for global managed pressure drilling services market. It traces the market's historic and forecast market growth. The report identifies top segments for opportunities and strategies based on market trends and leading competitors' approaches. This study also provides an analysis of the impact of the COVID-19 crisis on the managed pressure drilling services industry.

This industry report offers market estimates and forecasts of the global market, followed by a detailed analysis of the application, technology, and region. The global market for managed pressure drilling services can be segmented by application: onshore, offshore. Among these, the offshore segment was accounted for the highest revenue generator in 2021. Managed pressure drilling services market is further segmented by technology: constant bottom hole pressure, mud cap drilling, dual gradient drilling, return flow control drilling. The constant bottom hole pressure segment is estimated to account for the largest share of the global managed pressure drilling services market. Based on region, the managed pressure drilling services market is segmented into: North America, Europe, Asia-Pacific, MEA (Middle East and Africa), Latin America. North America held the largest share of the global managed pressure drilling services market in 2021 and is anticipated to hold its share during the forecast period.

## Market Segmentation

By application: onshore, offshore

By technology: constant bottom hole pressure, mud cap drilling, dual gradient drilling, return flow control drilling

By region: North America, Europe, Asia-Pacific, MEA (Middle East and Africa), Latin America

The report has also analysed the competitive landscape of the global managed pressure drilling services market with some of the key players being Ensign Energy Services Inc., Halliburton Company, Nabors Industries Ltd, NOV Inc., Schlumberger Limited, Weatherford International plc, among others.

Historical & Forecast Period

This research report provides analysis for each segment from 2018 to 2028 considering 2021 to be the base year.

Scope of the Report

To analyze and forecast the market size of the global managed pressure drilling services market.

To classify and forecast the global managed pressure drilling services market based on application, technology, region.

To identify drivers and challenges for the global managed pressure drilling services market.

To examine competitive developments such as mergers & acquisitions, agreements, collaborations and partnerships, etc., in the global managed pressure drilling services market.

To identify and analyze the profile of leading players operating in the global managed pressure drilling services market.

## Why Choose This Report

Gain a reliable outlook of the global managed pressure drilling services market forecasts from 2022 to 2028 across scenarios.

Identify growth segments for investment.

Stay ahead of competitors through company profiles and market data.

The market estimate for ease of analysis across scenarios in Excel format.

Strategy consulting and research support for three months.

Print authentication provided for the single-user license.

## Contents

### **PART 1. INTRODUCTION**

Report description  
Objectives of the study  
Market segment  
Years considered for the report  
Currency  
Key target audience

### **PART 2. METHODOLOGY**

### **PART 3. EXECUTIVE SUMMARY**

### **PART 4. MARKET OVERVIEW**

Introduction  
Drivers  
Restraints  
Impact of COVID-19 pandemic

### **PART 5. MARKET BREAKDOWN BY APPLICATION**

Onshore  
Offshore

### **PART 6. MARKET BREAKDOWN BY TECHNOLOGY**

Constant bottom hole pressure  
Mud cap drilling  
Dual gradient drilling  
Return flow control drilling

### **PART 7. MARKET BREAKDOWN BY REGION**

North America  
Europe  
Asia-Pacific

MEA (Middle East and Africa)  
Latin America

## **PART 8. KEY COMPANIES**

Ensign Energy Services Inc.

Halliburton Company

Nabors Industries Ltd

NOV Inc.

Schlumberger Limited

Weatherford International plc
