## **Abstracts**

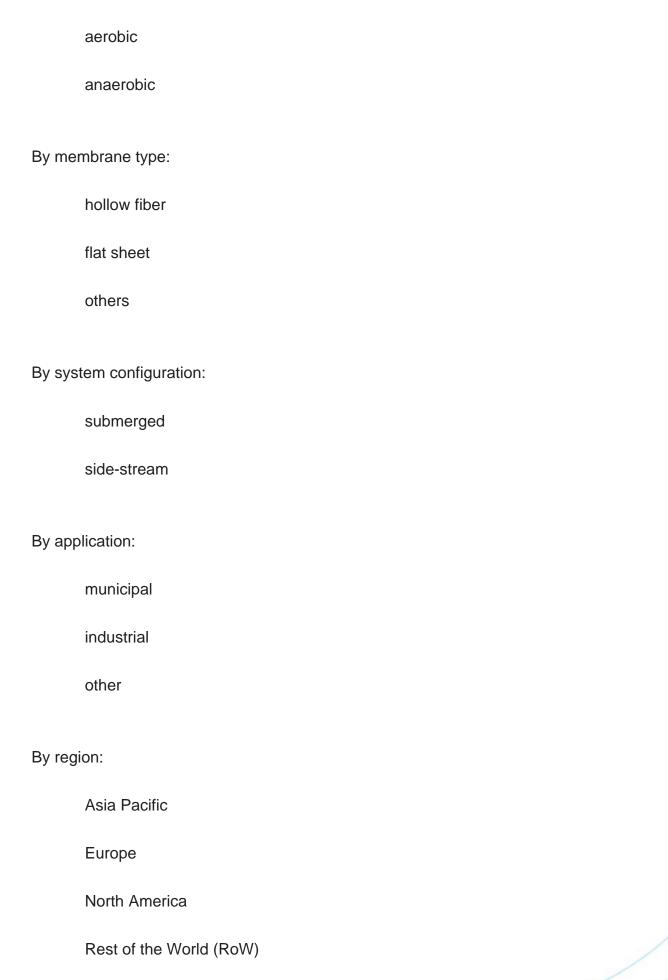

According to market research study published by Gen Consulting Company, the global membrane bioreactor market is expected to reach approximately USD 5,283 million, representing a CAGR of 9.6% during the forecast period 2022-2028.

The report provides in-depth analysis and insights regarding the current global market scenario, latest trends and drivers into global membrane bioreactor market. It offers an exclusive insight into various details such as market size, key trends, competitive landscape, growth rate and market segments. This study also provides an analysis of the impact of the COVID-19 crisis on the membrane bioreactor industry.

This industry report offers market estimates and forecasts of the global market, followed by a detailed analysis of the microbial process, membrane type, system configuration, application, and region. The global market for membrane bioreactor can be segmented by microbial process: aerobic, anaerobic. Among these, the aerobic segment was accounted for the highest revenue generator in 2021. Membrane bioreactor market is further segmented by membrane type: hollow fiber, flat sheet, others. The hollow fiber segment is estimated to account for the largest share of the global membrane bioreactor market. Based on system configuration, the membrane bioreactor market is segmented into: submerged, side-stream. The submerged segment held the largest share of the global membrane bioreactor market in 2021 and is anticipated to hold its share during the forecast period. On the basis of application, the membrane bioreactor market also can be divided into: municipal, industrial, other. In 2021, the municipal segment made up the largest share of revenue generated by the membrane bioreactor market. Membrane bioreactor market by region is categorized into: Asia Pacific, Europe, North America, Rest of the World (RoW).

By microbial process:

The report has also analysed the competitive landscape of the global membrane bioreactor market with some of the key players being Alfa Laval AB, Aquatech International LLC, Asahi Kasei Corporation, Evoqua Water Technologies Corp., Koch Industries, Inc., Mann + Hummel Gruppe, Pentair plc, Suez SA, Toray Industries, Inc., among others.

Historical & Forecast Period

This research report provides analysis for each segment from 2018 to 2028 considering 2021 to be the base year.

#### Scope of the Report

To analyze and forecast the market size of the global membrane bioreactor market.

To classify and forecast the global membrane bioreactor market based on microbial process, membrane type, system configuration, application, region.

To identify drivers and challenges for the global membrane bioreactor market.

To examine competitive developments such as mergers & acquisitions, agreements, collaborations and partnerships, etc., in the global membrane bioreactor market.

To identify and analyze the profile of leading players operating in the global membrane bioreactor market.

#### Why Choose This Report

Gain a reliable outlook of the global membrane bioreactor market forecasts from 2022 to 2028 across scenarios.

Identify growth segments for investment.

Stay ahead of competitors through company profiles and market data.

The market estimate for ease of analysis across scenarios in Excel format.

Strategy consulting and research support for three months.

Print authentication provided for the single-user license.

### **Contents**

#### **PART 1. INTRODUCTION**

Report description
Objectives of the study
Market segment
Years considered for the report
Currency
Key target audience

#### **PART 2. METHODOLOGY**

## **PART 3. EXECUTIVE SUMMARY**

#### **PART 4. MARKET OVERVIEW**

Introduction

**Drivers** 

Restraints

Impact of COVID-19 pandemic

#### PART 5. MARKET BREAKDOWN BY MICROBIAL PROCESS

Aerobic

Anaerobic

#### PART 6. MARKET BREAKDOWN BY MEMBRANE TYPE

Hollow fiber

Flat sheet

Others

#### PART 7. MARKET BREAKDOWN BY SYSTEM CONFIGURATION

Submerged

Side-stream

#### PART 8. MARKET BREAKDOWN BY APPLICATION

Municipal

Industrial

Other

#### PART 9. MARKET BREAKDOWN BY REGION

Asia Pacific

Europe

North America

Rest of the World (RoW)

#### **PART 10. KEY COMPANIES**

Alfa Laval AB

Aquatech International LLC

Asahi Kasei Corporation

Evoqua Water Technologies Corp.

Koch Industries, Inc.

Mann + Hummel Gruppe

Pentair plc

Suez SA

Toray Industries, Inc.
