Abstracts

According to market research study published by Gen Consulting Company, the market size of the global network encryption sector is expected to rise by USD 2.7 billion with a CAGR of 9% by the end of 2028.

The report covers market size and growth, segmentation, regional breakdowns, competitive landscape, trends and strategies for global network encryption market. It traces the market's historic and forecast market growth. The report identifies top segments for opportunities and strategies based on market trends and leading competitors' approaches. This study also provides an analysis of the impact of the COVID-19 crisis on the network encryption industry.

This industry report offers market estimates and forecasts of the global market, followed by a detailed analysis of the deployment mode, component, organization size, end user, and region. The global market for network encryption can be segmented by deployment mode: cloud, on-premise. Globally, the cloud segment made up the largest share of the network encryption market. Network encryption market is further segmented by component: hardware, solution & service. The solution & service segment captured the largest share of the market in 2021. Based on organization size, the network encryption market is segmented into: small and medium-sized enterprise, large-sized enterprise. According to the research, the large-sized enterprise segment had the largest share in the global network encryption market. On the basis of end user, the network encryption market also can be divided into: telecom, financial, government, media, others. The financial segment held the largest revenue share in 2021. Network encryption market by region is categorized into: North America, Europe, Asia-Pacific, MEA (Middle East and Africa), Latin America.

Market Segmentation

By deployment mode: cloud, on-premise

By component: hardware, solution & service

By organization size: small and medium-sized enterprise, large-sized enterprise

By end user: telecom, financial, government, media, others

By region: North America, Europe, Asia-Pacific, MEA (Middle East and Africa), Latin America

The global network encryption market report offers detailed information on several market vendors, including Atos SE, Ciena Corporation, Colt Technology Services Group Ltd., Juniper Networks Inc., Raytheon Technologies Corporation, Rohde & Schwarz Cybersecurity GmbH, Viasat Inc., among others.

Historical & Forecast Period

This research report provides analysis for each segment from 2018 to 2028 considering 2021 to be the base year.

Scope of the Report

To analyze and forecast the market size of the global network encryption market.

To classify and forecast the global network encryption market based on deployment mode, component, organization size, end user, region.

To identify drivers and challenges for the global network encryption market.

To examine competitive developments such as mergers & acquisitions, agreements, collaborations and partnerships, etc., in the global network encryption market.

To identify and analyze the profile of leading players operating in the global network encryption market.

Why Choose This Report

Gain a reliable outlook of the global network encryption market forecasts from 2022 to 2028 across scenarios.

Identify growth segments for investment.

Stay ahead of competitors through company profiles and market data.

The market estimate for ease of analysis across scenarios in Excel format.

Strategy consulting and research support for three months.

Print authentication provided for the single-user license.

Contents

PART 1. INTRODUCTION

Report description
Objectives of the study
Market segment
Years considered for the report
Currency
Key target audience

PART 2. METHODOLOGY

PART 3. EXECUTIVE SUMMARY

PART 4. MARKET OVERVIEW

Introduction
Drivers
Restraints
Impact of COVID-19 pandemic

PART 5. MARKET BREAKDOWN BY DEPLOYMENT MODE

Cloud
On-premise

PART 6. MARKET BREAKDOWN BY COMPONENT

Hardware
Solution & service

PART 7. MARKET BREAKDOWN BY ORGANIZATION SIZE

Small and medium-sized enterprise
Large-sized enterprise

PART 8. MARKET BREAKDOWN BY END USER

Telecom
Financial
Government
Media
Others

PART 9. MARKET BREAKDOWN BY REGION

North America
Europe
Asia-Pacific
MEA (Middle East and Africa)
Latin America

PART 10. KEY COMPANIES

Atos SE
Ciena Corporation
Colt Technology Services Group Ltd.
Juniper Networks Inc.
Raytheon Technologies Corporation
Rohde & Schwarz Cybersecurity GmbH
Viasat Inc.
