## Abstracts

According to market research study published by Gen Consulting Company, the market size of the global patient mechanical lift handling equipment sector is expected to rise by USD 1.0 billion with a CAGR of 8.4% by the end of 2028.

The report covers market size and growth, segmentation, regional breakdowns, competitive landscape, trends and strategies for global patient mechanical lift handling equipment market. It traces the market's historic and forecast market growth. The report identifies top segments for opportunities and strategies based on market trends and leading competitors' approaches. This study also provides an analysis of the impact of the COVID-19 crisis on the patient mechanical lift handling equipment industry.

This industry report offers market estimates and forecasts of the global market, followed by a detailed analysis of the product, end user, and region. The global market for patient mechanical lift handling equipment can be segmented by product: bath patient lifter, floor-based lift, overhead/ceiling lift, powered sit-to-stand lift, standup and raising lift, others. The floor-based lift segment held the largest share of the global patient mechanical lift handling equipment market in 2021 and is anticipated to hold its share during the forecast period. Patient mechanical lift handling equipment market is further segmented by end user: hospital, household, others. Globally, the hospital segment made up the largest share of the patient mechanical lift handling equipment market. Based on region, the patient mechanical lift handling equipment market is segmented into: North America, Europe, Asia-Pacific, MEA (Middle East and Africa), Latin America. North America was the largest contributor to the global patient mechanical lift handling equipment market in 2021.

## Market Segmentation

By product: bath patient lifter, floor-based lift, overhead/ceiling lift, powered sit-to-stand lift, standup and raising lift, others

By end user: hospital, household, others

By region: North America, Europe, Asia-Pacific, MEA (Middle East and Africa), Latin America

The global patient mechanical lift handling equipment market report offers detailed information on several market vendors, including Arjo AB, Baxter International Inc., Etac AB, Gainsborough Healthcare Group, Invacare Corporation, Medline Industries, LP, Savaria Corporation, Stryker Corporation, Sunrise Medical Inc., Winncare Group, among others.

## Historical & Forecast Period

This research report provides analysis for each segment from 2018 to 2028 considering 2021 to be the base year.

## Scope of the Report

To analyze and forecast the market size of the global patient mechanical lift handling equipment market.

To classify and forecast the global patient mechanical lift handling equipment market based on product, end user, region.

To identify drivers and challenges for the global patient mechanical lift handling equipment market.

To examine competitive developments such as mergers & acquisitions, agreements, collaborations and partnerships, etc., in the global patient mechanical lift handling equipment market.

To identify and analyze the profile of leading players operating in the global

patient mechanical lift handling equipment market.

### Why Choose This Report

Gain a reliable outlook of the global patient mechanical lift handling equipment market forecasts from 2022 to 2028 across scenarios.

Identify growth segments for investment.

Stay ahead of competitors through company profiles and market data.

The market estimate for ease of analysis across scenarios in Excel format.

Strategy consulting and research support for three months.

Print authentication provided for the single-user license.

## Contents

### **PART 1. INTRODUCTION**

Report description  
Objectives of the study  
Market segment  
Years considered for the report  
Currency  
Key target audience

### **PART 2. METHODOLOGY**

### **PART 3. EXECUTIVE SUMMARY**

### **PART 4. MARKET OVERVIEW**

Introduction  
Drivers  
Restraints  
Impact of COVID-19 pandemic

### **PART 5. MARKET BREAKDOWN BY PRODUCT**

Bath patient lifter  
Floor-based lift  
Overhead/ceiling lift  
Powered sit-to-stand lift  
Standup and raising lift  
Others

### **PART 6. MARKET BREAKDOWN BY END USER**

Hospital  
Household  
Others

### **PART 7. MARKET BREAKDOWN BY REGION**

North America

Europe

Asia-Pacific

MEA (Middle East and Africa)

Latin America

## **PART 8. KEY COMPANIES**

Arjo AB

Baxter International Inc.

Etac AB

Gainsborough Healthcare Group

Invacare Corporation

Medline Industries, LP

Savaria Corporation

Stryker Corporation

Sunrise Medical Inc.

WinnCare Group
