Abstracts

The global patient monitoring market is likely to register a CAGR of over 8.5% with an incremental growth of USD 24.4 billion during the forecast period 2022-2028.

The report covers market size and growth, segmentation, regional breakdowns, competitive landscape, trends and strategies for global patient monitoring market. It traces the market's historic and forecast market growth. The report identifies top segments for opportunities and strategies based on market trends and leading competitors' approaches. This study also provides an analysis of the impact of the COVID-19 crisis on the patient monitoring industry.

This industry report offers market estimates and forecasts of the global market, followed by a detailed analysis of the type of device, application, end user, and region. The global market for patient monitoring can be segmented by type of device: hemodynamic monitoring device, neuromonitoring device, cardiac monitoring device, multi-parameter monitor, respiratory monitoring device, others. The respiratory monitoring device segment held the largest revenue share in 2021. Patient monitoring market is further segmented by application: cardiology, neurology, respiratory, neonatal, weight and fitness, others. Among these, the respiratory segment was accounted for the highest revenue generator in 2021. Based on end user, the patient monitoring market is segmented into: household, hospital and clinic, others. The hospital and clinic segment captured the largest share of the market in 2021. On the basis of region, the patient monitoring market also can be divided into: North America, Europe, Asia-Pacific, MEA (Middle East and Africa), Latin America. According to the research, North America had the largest share in the global patient monitoring market.

Market Segmentation

By type of device: hemodynamic monitoring device, neuromonitoring device, cardiac

monitoring device, multi-parameter monitor, respiratory monitoring device, others

By application: cardiology, neurology, respiratory, neonatal, weight and fitness, others

By end user: household, hospital and clinic, others

By region: North America, Europe, Asia-Pacific, MEA (Middle East and Africa), Latin America

The market research report covers the analysis of key stake holders of the global patient monitoring market. Some of the leading players profiled in the report include Abbott Laboratories, Baxter International Inc., Becton, Dickinson and Company, Boston Scientific Corporation, Drägerwerk AG & Co. KGaA, GE Healthcare, Johnson & Johnson, Koninklijke Philips N.V., Masimo Corporation, Medtronic plc, Omron Corporation, among others.

Historical & Forecast Period

This research report provides analysis for each segment from 2018 to 2028 considering 2021 to be the base year.

Scope of the Report

To analyze and forecast the market size of the global patient monitoring market.

To classify and forecast the global patient monitoring market based on type of device, application, end user, region.

To identify drivers and challenges for the global patient monitoring market.

To examine competitive developments such as mergers & acquisitions, agreements, collaborations and partnerships, etc., in the global patient monitoring market.

To identify and analyze the profile of leading players operating in the global patient monitoring market.

Why Choose This Report

Gain a reliable outlook of the global patient monitoring market forecasts from 2022 to 2028 across scenarios.

Identify growth segments for investment.

Stay ahead of competitors through company profiles and market data.

The market estimate for ease of analysis across scenarios in Excel format.

Strategy consulting and research support for three months.

Print authentication provided for the single-user license.

Contents

PART 1. INTRODUCTION

Report description
Objectives of the study
Market segment
Years considered for the report
Currency
Key target audience

PART 2. METHODOLOGY

PART 3. EXECUTIVE SUMMARY

PART 4. MARKET OVERVIEW

Introduction
Drivers
Restraints
Impact of COVID-19 pandemic

PART 5. MARKET BREAKDOWN BY TYPE OF DEVICE

Hemodynamic monitoring device
Neuromonitoring device
Cardiac monitoring device
Multi-parameter monitor
Respiratory monitoring device
Others

PART 6. MARKET BREAKDOWN BY APPLICATION

Cardiology
Neurology
Respiratory
Neonatal
Weight and fitness
Others

PART 7. MARKET BREAKDOWN BY END USER

Household
Hospital and clinic
Others

PART 8. MARKET BREAKDOWN BY REGION

North America
Europe
Asia-Pacific
MEA (Middle East and Africa)
Latin America

PART 9. KEY COMPANIES

Abbott Laboratories
Baxter International Inc.
Becton, Dickinson and Company
Boston Scientific Corporation
Dragerwerk AG & Co. KGaA
GE Healthcare
Johnson & Johnson
Koninklijke Philips N.V.
Masimo Corporation
Medtronic plc
Omron Corporation
