Abstracts

The global smart space market is projected to rise by USD 21 billion by 2028, according to a new report by Gen Consulting Company. It is anticipated to expand at a CAGR of 17.2 percent during the forecast period.

The report provides in-depth analysis and insights regarding the current global market scenario, latest trends and drivers into global smart space market. It offers an exclusive insight into various details such as market size, key trends, competitive landscape, growth rate and market segments. This study also provides an analysis of the impact of the COVID-19 crisis on the smart space industry.

This industry report offers market estimates and forecasts of the global market, followed by a detailed analysis of the component, application, type of premises, and region. The global market for smart space can be segmented by component: solutions, services. The solutions segment is estimated to account for the largest share of the global smart space market. Smart space market is further segmented by application: emergency and disaster management, energy management and optimization, security management, others. The energy management and optimization segment held the largest revenue share in 2021. Based on type of premises, the smart space market is segmented into: residential, commercial, others. Globally, the residential segment made up the largest share of the smart space market. On the basis of region, the smart space market also can be divided into: Asia Pacific, Europe, North America, Rest of the World (RoW). North America was the largest contributor to the global smart space market in 2021.

By component:

solutions

services

By application:

emergency and disaster management

energy management and optimization

security management

others

By type of premises:

residential

commercial

others

By region:

Asia Pacific

Europe

North America

Rest of the World (RoW)

The services market is further segmented into professional, managed. Among these, professional segment occupied the largest market share in 2021. However, the managed segment is expected to display the highest CAGR during the forecast period.

The report has also analysed the competitive landscape of the global smart space market with some of the key players being ABB Ltd., Cisco Systems Inc., Hitachi Ltd.,

Honeywell International Inc., Huawei Technologies Co., Ltd., IBM Corporation, Infosys Ltd., Johnson Controls International plc, Microsoft Corporation, Nokia Corporation, Schneider Electric SE, Siemens AG, SmartSpace Software plc, Spacewell International NV, among others.

Historical & Forecast Period

This research report provides analysis for each segment from 2018 to 2028 considering 2021 to be the base year.

Scope of the Report

To analyze and forecast the market size of the global smart space market.

To classify and forecast the global smart space market based on component, application, type of premises, region.

To identify drivers and challenges for the global smart space market.

To examine competitive developments such as mergers & acquisitions, agreements, collaborations and partnerships, etc., in the global smart space market.

To identify and analyze the profile of leading players operating in the global smart space market.

Why Choose This Report

Gain a reliable outlook of the global smart space market forecasts from 2022 to 2028 across scenarios.

Identify growth segments for investment.

Stay ahead of competitors through company profiles and market data.

The market estimate for ease of analysis across scenarios in Excel format.

Strategy consulting and research support for three months.

Print authentication provided for the single-user license.

Contents

PART 1. INTRODUCTION

Report description

Objectives of the study

Market segment

Years considered for the report

Currency

Key target audience

PART 2. METHODOLOGY

PART 3. EXECUTIVE SUMMARY

PART 4. MARKET OVERVIEW

Introduction

Drivers

Restraints

Impact of COVID-19 pandemic

PART 5. MARKET BREAKDOWN BY COMPONENT

Solutions

Services

PART 6. MARKET BREAKDOWN BY APPLICATION

Emergency and disaster management

Energy management and optimization

Security management

Others

PART 7. MARKET BREAKDOWN BY TYPE OF PREMISES

Residential

Commercial

Others

PART 8. MARKET BREAKDOWN BY REGION

Asia Pacific

Europe

North America

Rest of the World (RoW)

PART 9. KEY COMPANIES

ABB Ltd.

Cisco Systems Inc.

Hitachi Ltd.

Honeywell International Inc.

Huawei Technologies Co., Ltd.

IBM Corporation

Infosys Ltd.

Johnson Controls International plc

Microsoft Corporation

Nokia Corporation

Schneider Electric SE

Siemens AG

SmartSpace Software plc

Spacewell International NV
