Abstracts

Juice drinks are beverages that are made with fruit juice or fruit juice concentrate, water, and sometimes added sugars or other ingredients. They can be consumed for their refreshing taste or as a source of vitamins and other nutrients. The juice drinks market in China is a significant and growing market, driven by increasing consumer demand for healthier beverage options. The juice drinks market in China is likely to register a CAGR of over 1.61% with an incremental growth of USD 2.2 billion during the forecast period 2023-2029.

This industry report offers market estimates of the China market, followed by a detailed analysis of the product type, and distribution channel. The China market data on juice drinks can be segmented by product type: low-concentration fruit juices, medium concentration juice, pure juice. In China, the low concentration juice segment made up the largest share of the juice drinks market. Juice drinks market is further segmented by distribution channel: convenience stores, grocery stores, online, supermarkets and hypermarkets, others.

Some of the leading companies operating in the market are Hangzhou Wahaha Group Co. Ltd., Nongfu Spring Co. Ltd., The Coca-Cola Company, Ting Hsin International Group, Uni-President Enterprises Corporation.

The data-centric report focuses on market trends, status and outlook for segments. With comprehensive coverage of the market across different market segments, the report is a valuable asset for the existing players, new entrants and the future investors.
