

China Li-ion Battery Separator Industry Research 2017

<https://marketpublishers.com/r/CC351F0037FEN.html>

Date: November 2016

Pages: 100

Price: US\$ 6,500.00 (Single User License)

ID: CC351F0037FEN

Abstracts

According to the statistics from GGII, the output of Chinese Li-ion battery separator was 628 million m² in 2015, with 49.5% YoY growth. The output value was about RMB2 billion with YoY 29.2% growth. The growth of output volume was much higher than the growth of output value, which indicates that the price of separator dropped, dry uniaxial tension separator especially.

The major separator manufacture through dry type uniaxial tension processing technique since 2014, however, the technology has turned to wet type since NCM power battery industry raise in 2015. As a result, the market competition got intense, the price of separator dropped.

Li-ion battery separator industry is fast developing, more entrants involving and investing in Li-ion battery separator field. However, many of the investors have not comprehensively understanding to the industry and lack of solid industrial statistics. GGII spent months in research on upstream and downstream companies, in order to collect primary data.

The report analyzed domestic policies, technology trends, and industrial competitive structure. Also, the report reveals market size, market development, and market potential. GGII made scientific forecasting on Chinese Li-ion battery separator market for 2017-2020, provided rational suggestion and recommendation.

In this report, GGII analyzes LIB Separator market in China. It will provide you with a comprehensive understanding of this industry from the following aspects: market size, status in the world, product structure, company analysis of major players, etc., as well as make scientific prediction on the future development separator industry.

The Aim of this report

To provide readers with comprehensive & in-depth understanding of Chinese battery separator industry;

To understand position of Chinese separator in the world;

Get more information of the major separator companies;

To predict what future of Chinas separator industry will be;

To find out the key strengths and weakness of Chinas separator companies, and the threats and opportunities they face;

To reveal opportunities in Chinese LIB separator industry

Contents

1 CHINA LI-ION BATTERY SEPARATOR INDUSTRY DEVELOPMENT

- 1.1 Overview
- 1.2 Competition

2 BATTERY SEPARATOR MARKET

- 2.1 Market Size and Output
- 2.2 Manufacturer and Geographic Distribution
- 2.3 Output
- 2.4 Sales
- 2.5 Top8 Separator Manufacturer's Customer

3 COATING SEPARATOR MARKET IN CHINA

- 3.1 Coating Separator Technology
- 3.2 Coating Separator Market
- 3.3 Capacity

4 GLOBAL LI-ION BATTERY SEPARATOR INDUSTRY DEVELOPMENT

- 4.1 Major Manufacturer
- 4.2 Domestic and Imported Separator Comparison
- 4.3 Property Improvement

5 MAJOR MANUFACTURER IN CHINA

- 5.1 R&D Capacity
- 5.2 Case Study

6 INDUSTRIAL POLICY

- 6.1 Relevant Policy
- 5.2 Policy Analysis

7 DOWNSTREAM APPLICATION MARKET

- 7.1 Mobilephone Application Market
- 7.2 Laptop Application Market
- 7.3 Tablet Application Market
- 7.4 Electric Bicycle Application Market
- 7.5 xEV Application Market

8 SEPARATOR INDUSTRY DEVELOPMENT TREND

- 8.1 Technology Development Forecasting
- 8.2 Industrial Development, 2017-2018

9 SUPPLY AND DEMAND

- 8.1 Cell Market
- 8.2 Battery Separator Supply and Demand

I would like to order

Product name: China Li-ion Battery Separator Industry Research 2017

Product link: <https://marketpublishers.com/r/CC351F0037FEN.html>

Price: US\$ 6,500.00 (Single User License / Electronic Delivery)

If you want to order Corporate License or Hard Copy, please, contact our Customer Service:

info@marketpublishers.com

Payment

To pay by Credit Card (Visa, MasterCard, American Express, PayPal), please, click button on product page <https://marketpublishers.com/r/CC351F0037FEN.html>

To pay by Wire Transfer, please, fill in your contact details in the form below:
