Abstracts

The global outlook series on Adult and Retirement Communities provides a collection of statistical anecdotes, market briefs, and concise summaries of research findings.

Illustrated with 56 fact-rich market data tables, the report offers an aerial view of adult and retirement industry, highlights latest market trends, and key market drivers.

Regional markets briefly abstracted and covered include North America, United States, Canada, Japan, Europe (including Finland, Monaco, and UK), Asia-Pacific (including Australia, China, India, Indonesia, Korea, Singapore, and Taiwan), Latin America (including Mexico), and Africa (including Morocco).

The report offers a compilation of recent mergers, acquisitions, and strategic corporate developments.

Also included is an indexed, easy-to-refer, fact-finder directory listing the addresses, and contact details of 206 companies worldwide.

Contents
