## Abstracts

The global outlook series on Concierge Services provides market briefs, and concise summaries of regional trends.

The report provides an aerial view of the global concierge services industry, and identifies major trends and growth drivers.

Regional markets briefly abstracted and covered include US, Canada, the United Kingdom, and Singapore.

The report offers a compilation of recent mergers, acquisitions, and strategic corporate developments.

Also included is an indexed, easy-to-refer, fact-finder directory listing the addresses, and contact details of 108 companies worldwide.
