

# Departmental Stores: Market Research Report

<https://marketpublishers.com/r/D3A89AB2BCEEN.html>

Date: December 2011

Pages: 80

Price: US\$ 1,450.00 (Single User License)

ID: D3A89AB2BCEEN

## Abstracts

The global outlook series on Departmental Stores provides a collection of statistical anecdotes, market briefs, and concise summaries of research findings.

The report enumerates recent mergers and acquisitions together with summarized global and regional market facts.

Regional markets covered include the US, Japan, Europe, UK, Asia Pacific, Australia, China, Hong Kong, India, Indonesia, Thailand and South Korea, among others.

Annotated with 28 information-rich tables presenting market data findings, and analytical research projections, the entire discussion contained in the global outlook series is designed to offer the reader a rudimentary coverage of departmental stores in the international space.

Also included is an indexed, easy-to-refer, fact-finder directory listing the addresses, and contact details of 202 companies worldwide.
