

# Emergency and Other Relief Services: Market Research Report

<https://marketpublishers.com/r/E2BC1861560EN.html>

Date: December 2011

Pages: 70

Price: US\$ 1,995.00 (Single User License)

ID: E2BC1861560EN

## Abstracts

The global outlook series on Emergency and Other Relief Services provides a collection of statistical anecdotes, market briefs, and concise summaries of research findings.

The report briefly discusses the role of emergency service providers in handling emergencies created by natural or man-made disasters.

The report also recapitulates recent noteworthy mergers, acquisitions, and other strategic developments.

Regional markets briefly abstracted include the United States, Canada, Japan, Australia, China, India and New Zealand, among others.

Also included is an indexed, easy-to-refer, fact-finder directory listing the addresses, and contact details of 195 companies worldwide.

## Contents

### 1.INDUSTRY OVERVIEW

Unpredictability of Disasters Necessitates Efficient Emergency Relief
