Abstracts

The global outlook series on the Hotel Industry provides a collection of statistical anecdotes, market briefs, and concise summaries of research findings.

The report provides an aerial view of the Hotel Industry, and the dynamics underlying this aspirational needs driven market.

The report discusses the latest trends prevalent in the international space, the present level of competition, and cursory insights into recent mergers, and acquisitions.

The reader also stands to gain a macro level understanding of the scenario prevalent in regional markets.

Annotated with tables that enumerate key research findings, and graphs and charts that offer pictorial representations, the regional markets briefly abstracted, and summarized include the US, Canada, France, Germany, UK, Russia, Spain, China, and India.

Also included is an indexed, easy-to-refer, fact-finder directory listing the addresses, and contact details of 1450 companies worldwide.
