Abstracts

The global outlook series on the Investment Services Industry provides a collection of statistical anecdotes, market briefs, and concise summaries of research findings.

Illustrated with 29 fact-rich market data tables, the report offers a rudimentary overview of the industry and highlights latest trends and demand drivers.

Regional markets briefly abstracted include the United States, Canada, Japan, France, UK, and Russia among others.

The report offers a compilation of recent mergers, acquisitions, and strategic corporate developments.

Also included is an indexed, easy-to-refer, fact-finder directory listing the addresses, and contact details of 336 companies worldwide.
