Abstracts

This report analyzes the worldwide markets for Prefabricated Housing in Unit Shipments. The US market is further analyzed by the following Segments: Manufactured Housing (Single-Section, & Multi-Section), Modular Housing, Precut Housing, and Panelized Housing. In addition, the report provides analytical perspective (estimates and projections) for the global 'Prefabricated Buildings' market by each country/region. The report provides separate comprehensive analytics for the US, Canada, Japan, Europe, Asia-Pacific, Middle East & Africa, and Latin America. Annual estimates and forecasts are provided for the period 2014 through 2020. Also, a seven-year historic analysis is provided for these markets. Market data and analytics are derived from primary and secondary research. Company profiles are primarily based on public domain information including company URLs. The report profiles 295 companies including many key and niche players such as -

Cavco Industries, Inc.

Champion Home Builders, Inc.

Clayton Homes Inc.

Deltec Homes, Inc.

Foshan Hongtai Zhuxin
