Highlights

Align Technology Inc (Align) is a medical device company that designs, manufactures and commercializes comprehensive digital treatment solutions including clear aligners and intraoral scanners and services. The company offers virtually invisible aligners for straightening teeth, providing additional clinical guidance and support to doctors throughout treatment; case selection and treatment planning assistance, appointment guides, checking of progress and staged shipment of aligners; and minor crowding, spacing, and pre-cursor to cosmetic treatments. It also offers clear thermoplastic retainers for post-treatment retention for both Invisalign and non-Invisalign patients. Align's solutions also address unique orthodontic needs of non-adult comprehensive patients. The company caters to dental professionals and to orthodontic and restorative dentistry markets. It sells its products through direct force and distributors in the Americas, Europe, Asia-Pacific, the Middle East and Africa. Align is headquartered in San Jose, California, the US.
