Highlights

ALLETE Inc (ALLETE) is an energy company. It has interests in mining facilities, electricity generation, transmission, and distribution assets; and water management businesses. The company generates electricity using coal, natural gas, biomass, hydro, wind, and solar; and procures energy through power purchase agreements and market purchases. ALLETE provides electric services on retail and wholesale basis. It develops, acquires, and operates clean and renewable energy projects. Through long-term power sales agreements, ALLETE also develops wind energy facilities to operate or for sale to third-parties. The company offers integrated water management solutions to customers in the biofuel, commercial and institutional, power generation, food and beverage, light manufacturing, and midstream oil and gas industries. ALLETE is headquartered in Duluth, Minnesota, the US.
