This report is a crucial resource for industry executives and anyone looking to access key information about 'Alumina Limited'

The report utilizes a wide range of primary and secondary sources, which are analyzed and presented in a consistent and easily accessible format. Timetric strictly follows a standardized research methodology to ensure high levels of data quality and these characteristics guarantee a unique report.

SCOPE

Examines and identifies key information and issues about 'Alumina Limited' for business intelligence requirements.

Studies and presents the company's strengths, weaknesses, opportunities (growth potential) and threats (competition). Strategic and operational business

information is objectively reported.

Provides data on company financial performance and competitive benchmarking.

The profile also contains information on business operations, company history, major products and services, key employees, and locations and subsidiaries.

REASONS TO BUY

Quickly enhance your understanding of 'Alumina Limited'

Gain insight into the marketplace and a better understanding of internal and external factors which could impact the industry.

Increase business/sales activities by understanding your competitors' businesses better.

Recognize potential partnerships and suppliers.

KEY HIGHLIGHTS

Alumina Limited (Alumina) is a producer of aluminum in Australia. It owns 40% interest in Alcoa World Alumina and Chemicals (AWAC), through which it carries out mining of bauxite, refining, and smelting of aluminum. AWAC operates alumina refineries, one aluminum smelter, and has interests in several bauxite mines. The company's products find application in transport, aerospace, building, construction and packaging industries. AWAC has an annual production of 12.6 million tonnes. The company has an operational presence in Australia, Suriname, Spain and the US. In addition, it holds minor interests in an alumina mine and refinery situated in Saudi Arabia and mining activities located in Guinea and Brazil. Alumina is headquartered in Melbourne, Victoria, Australia.

Contents
