## **Abstracts**

### **SUMMARY**

Strategic Defence Intelligence's 'AMEWAS, Inc.: Aerospace and Defense - Company Profile and SWOT Analysis' contains in depth information and data about the company and its operations. The profile contains a company overview, key facts, major products and services, SWOT analysis, business description, company history, key employees as well as company locations and subsidiaries.

### **KEY FINDINGS**

This report is a crucial resource for industry executives and anyone looking to access key information about 'AMEWAS, Inc.'

The report utilizes a wide range of primary and secondary sources, which are analyzed and presented in a consistent and easily accessible format. Strategic Defence Intelligence strictly follows a standardized research methodology to ensure high levels of data quality and these characteristics guarantee a unique report.

### **SYNOPSIS**

AMEWAS, Inc (AMEWAS) is a provider of technical assistance and support services to the Naval Air Systems Command (NAVAIR) and the US Department of Defense (DoD). The company provides technical expertise in life-cycle engineering, signals intelligence, C4ISR systems, weapon system employment, radar warning receivers, synthetic warfare environments, software engineering and hardware integration. It also provides life-cycle engineering support, analysis services, scenario generation and synthetic

warfare environment support. AMEWAS solutions include models development and simulation support, training and engineering facility and electronic warfare systems. The company provides administrative, program management, technical and engineering support to Naval Air Warfare Center Aircraft Division, and Office of Naval Research departments. AMEWAS is headquartered in California, Maryland, the US.

This business intelligence report presents the key company information, essential to understanding industry challenges and competitors.

The SWOT analysis identifies the company's strengths, weaknesses, opportunities for growth and threats. The key competitors are dissected alongside the larger challenges that the industry is facing.

The company profile relays all current information about the business operations, including key employees, major products and services, company history, locations and subsidiaries alongside a supporting statement from the Chairman and Managing Director.

## **REASONS TO BUY**

Quickly enhance your understanding of 'AMEWAS, Inc.'

Gain insight into the marketplace and a better understanding of internal and external factors which could impact the industry.

Increase business/sales activities by understanding your competitors' businesses better.

Recognize potential partnerships and suppliers.

## **KEY HIGHLIGHTS**

AMEWAS, Inc (AMEWAS) is a provider of technical assistance and support services to the Naval Air Systems Command (NAVAIR) and the US Department of Defense (DoD). The company provides technical expertise in life-cycle engineering, signals intelligence, C4ISR systems, weapon system employment, radar warning receivers, synthetic warfare environments, software engineering and hardware integration.
