Abstracts

SUMMARY

Strategic Defence Intelligence's 'Anaren, Inc.: Aerospace and Defense - Company Profile and SWOT Analysis' contains in depth information and data about the company and its operations. The profile contains a company overview, key facts, major products and services, SWOT analysis, business description, company history, recent developments, key employees as well as company locations and subsidiaries.

KEY FINDINGS

This report is a crucial resource for industry executives and anyone looking to access key information about 'Anaren, Inc.'

The report utilizes a wide range of primary and secondary sources, which are analyzed and presented in a consistent and easily accessible format. Strategic Defence Intelligence strictly follows a standardized research methodology to ensure high levels of data quality and these characteristics guarantee a unique report.

SYNOPSIS

Anaren, Inc. (Anaren) is a provider of microwave components and assemblies for defense electronics markets, and wireless and satellite communications. The company designs, develops and manufactures wireless and military or instrumentation resistive products including ferrite, custom splitting and combining products, custom radio frequency backplane assemblies and hybrid matrix assemblies. It also provides high performance analog microelectronics such as power hybrids, custom hybrids and multi-

chip modules. Its products find applications in beam-forming, jamming, radar, receiver and motion control. The products are used in wireless consumer, wireless infrastructure and medical applications. It operates across North America, Europe, the Middle East and Asia. The company operates as a wholly-owned subsidiary of ANVC Holding Corp., an affiliate of The Veritas Capital Fund IV, L.P. Anaren is headquartered in East Syracuse, New York, the US.

This business intelligence report presents the key company information, essential to understanding industry challenges and competitors.

The SWOT analysis identifies the company's strengths, weaknesses, opportunities for growth and threats. The key competitors are dissected alongside the larger challenges that the industry is facing.

The company profile relays all current information about the business operations, including key employees, major products and services, company history, locations and subsidiaries alongside a supporting statement from the Chairman and Managing Director.

REASONS TO BUY

Quickly enhance your understanding of 'Anaren, Inc.'

Gain insight into the marketplace and a better understanding of internal and external factors which could impact the industry.

Increase business/sales activities by understanding your competitors' businesses better.

Recognize potential partnerships and suppliers.
