Highlights

Arizona Public Service Co (APS), a subsidiary of Pinnacle West Capital Corporation, is an energy utility that generates, procures, transmits, and distributes electricity. The company generates electricity from coal, nuclear, gas, oil, and renewable sources such as solar, wind, geothermal, biomass and biogas. Through demand response; purchase; day-ahead call option; exchange; tolling; and various renewable energy agreements it procures electricity. APS transmits and distributes electricity through overhead lines and underground lines and primary cables. The company also has interests in under development and construction renewable energy projects. APS is headquartered in Phoenix, Arizona, the US.
