## Abstracts

Arthroscopes and Arthroscopic Systems (Orthopedic Devices) - Global Market Analysis and Forecast Model (COVID-19 market impact)

### SUMMARY

Arthroscopes and Arthroscopic Systems (Orthopedic Devices) - Global Market Analysis and Forecast Model (COVID-19 market impact) is built to visualize quantitative market trends within Orthopedic Devices therapeutic area.

The model discusses in detail the impact of COVID-19 on Arthroscopes and Arthroscopic Systems market for the year 2020 and beyond. The increasing of Hospitals, ASC's prevalence of osteoarthritis (OA) and rheumatoid arthritis (RA), and the growing number of trauma cases are driving an increased demand for Arthroscopes and Arthroscopic Systems globally as they are used by physicians to simplify the diagnosis and/or treatment of a extensive variety of joint diseases and injuries (e.g., synovitis, arthritis, ligament/tendon/cartilage tears)

Arthroscopes and Arthroscopic Systems have a long history of use in the US and European markets, and are well established in emerging markets such as APAC and South America.

Each of the covered 39 country's color-coded and fully-sourced market models are equipped with epidemiology based indications with procedure volumes. To increase the data transparency, the interactive excel deliverable covers installed base, new sales volumes, product usage, average selling prices, market size and company share/rank analysis (wherever available). Moreover, analyst comments with qualitative insight offer context for quantitative data.

Key Inclusions of the market model are -

Currently marketed Arthroscopes and Arthroscopic Systems and evolving competitive landscape -

Insightful review of the key industry trends.

Annualized total Arthroscopes and Arthroscopic Systems revenue by segment and market outlooks from 2015-2030.

Granular data on total procedures, units, average selling prices and market values by segment.

Global, Regional and Country level market specific insights -

Qualitative market specific information is available with global trends further broken down into regional trends. In addition GlobalData analysts provide unique country specific insights on the market.

SWOT analysis for Arthroscopes and Arthroscopic Systems market.

Competitive dynamics insights and trends provided for Arthroscopes and Arthroscopic Systems market.

Drive the understanding of the market by getting the veritable big picture including an overview of the healthcare system. In addition the Market Access segment allows you to delve deeper into market dynamics with information on reimbursement policies and the regulatory landscape.

Country specific overview of the healthcare system.

Country specific reimbursement policies.

Country specific medtech regulatory landscape.

Robust methodologies and sources enable the model to provide extensive and accurate overview of the market. Demand and supply-side primary sources are integrated within the syndicated models, including Key Opinion Leaders. In addition, real world data

sources are leveraged to determine market trends; these include government procedure databases, hospital purchasing databases, and proprietary online databases.

Companies covered: Smith & Nephew Plc, Stryker Crop, Arthrex Inc, Depuy Synthes Inc, Conmed Corporation, Karl Storz GmbH & Co KG and Others

Countries covered: United States, United Kingdom, Germany, France, Italy, Spain, Brazil, China, India, Russia, Japan, Australia, Canada, Mexico, South Korea, Denmark, Ireland, Netherlands, New Zealand, South Africa, Sweden, Switzerland, Austria, Belgium, Finland, Israel, Norway, Poland, Portugal, Taiwan, Czech Republic, Greece, Hungary, Turkey, Egypt, Saudi Arabia, United Arab Emirates, Argentina and Chile.

## **SCOPE**

This Market Model gives important, expert insight you won't find in any other source. The model illustrates qualitative and quantitative trends within the specified market. This model is required reading for -

CMO executives who must have deep understanding of the Arthroscopes and Arthroscopic Systems marketplace to make strategic planning and investment decisions.

Sourcing and procurement executives who must understand crucial components of the supply base in order to make decisions about supplier selection and management.

Private equity investors that need a deeper understanding of the market to identify and value potential investment targets.

## **REASONS TO BUY**

The model will enable you to -

Understand the impact of COVID-19 on Arthroscopes and Arthroscopic Systems.

Develop and design your in-licensing and out-licensing strategies through a review of pipeline products and technologies, and by identifying the companies with the most robust pipeline.

Develop business strategies by understanding the trends shaping and driving Arthroscopes and Arthroscopic Systems market.

Drive revenues by understanding the key trends, innovative products and technologies, market segments, and companies likely to impact the Arthroscopes and Arthroscopic Systems market in the future.

Formulate effective sales and marketing strategies by understanding the competitive landscape and by analyzing the company share of market leaders.

Identify emerging players with potentially strong product portfolios and create effective counter-strategies to gain a competitive advantage.

Track device sales in the global and country-specific Arthroscopes and Arthroscopic Systems market from 2015-2030.

Organize your sales and marketing efforts by identifying the market categories and segments that present maximum opportunities for consolidations, investments and strategic partnerships.

## Contents

### COMPANIES MENTIONED

Smith & Nephew Plc

Stryker Corp

Arthrex Inc

Depuy Synthes Inc

Conmed Corporation

Karl Storz GmbH & Co KG

## I would like to order

Product name: Arthroscopes and Arthroscopic Systems (Orthopedic Devices) - Global Market Analysis and Forecast Model (COVID-19 market impact)

Product link: <https://marketpublishers.com/r/A0FA0659A445EN.html>

Price: US\$ 7,500.00 (Single User License / Electronic Delivery)

If you want to order Corporate License or Hard Copy, please, contact our Customer Service:

[info@marketpublishers.com](mailto:info@marketpublishers.com)

## Payment

To pay by Credit Card (Visa, MasterCard, American Express, PayPal), please, click button on product page <https://marketpublishers.com/r/A0FA0659A445EN.html>

To pay by Wire Transfer, please, fill in your contact details in the form below:
