Highlights

Ascent Resources Plc (Ascent) is an independent upstream exploration and production company. It explores for, develops, and produces oil and natural gas from its project in Slovenia. It operates the Petisovci tight gas project in Slovenia. The Petisovci Tight Gas project is in proximity to the Hungarian and Croatian borders and targets the development of tight gas reservoirs in Miocene clastic reservoirs. Being close to existing processing facilities, intra-field and national pipelines, the project ensures connection at low-cost and easy access to markets. With focus on European onshore projects, the company holds 75% of working interest in this asset, while Geoenergo d.o.o., holds the remaining 25%. Ascent is headquartered in London, Greater London, the UK.
