## KEY HIGHLIGHTS

Ashghal (Ashghal) is a public works authority in Qatar. It is responsible for the planning, designing, procurement, construction and asset management of infrastructure and public buildings. The company's key activities include governing the construction and maintenance of highways, local roads, water treatment plants, drainage, and public buildings such as hospitals, schools and health centers. It offers various solutions for building permits request, road levels and demarcation of plots, damaged asset payment, excavated and asphaltic waste material recycling, laboratory quality tracking systems, and grease trap permit, among others. It caters to individuals, companies and government sectors. In addition, Ashghal is involved in three infrastructure programs in Qatar, which include The Expressway Program, The Local Roads Drainage Program and The Inner Doha Re-Sewerage Implementation Strategy program. Ashghal is headquartered in Doha, Qatar.
