Highlights

BC Hydro (BC) is a government-owned hydroelectric utility company that generates, distributes and supply power. It is a provincial Crown corporation owned by the Province of British Columbia. Through its subsidiary, Powerex, it buys and sells wholesale power, renewable energy, financial energy products and services, natural gas and ancillary services. BC also focuses on providing testing, research and development, technical services and advanced technology services through its subsidiary, Powertech. The company offers its services to residential, commercial and industrial customers. It has hydroelectric facilities in the Peace, Columbia and Coast regions of British Columbia. BC is headquartered in Vancouver, British Columbia, Canada.
