Abstracts

SUMMARY

Strategic Defence Intelligence's 'Bet Shemesh Engines Holdings (1997) Ltd.: Aerospace and Defense - Company Profile, SWOT and Financial Analysis' contains in depth information and data about the company and its operations. The profile contains a company overview, key facts, major products and services, SWOT analysis, business description, company history, financial analysis, key employees, company locations and subsidiaries as well as competitive benchmarking data.

KEY FINDINGS

This report is a crucial resource for industry executives and anyone looking to access key information about 'Bet Shemesh Engines Holdings (1997) Ltd.'

The report utilizes a wide range of primary and secondary sources, which are analyzed and presented in a consistent and easily accessible format. Strategic Defence Intelligence strictly follows a standardized research methodology to ensure high levels of data quality and these characteristics guarantee a unique report.

SYNOPSIS

Bet Shemesh Engines Holdings (1997) Ltd. (BSEH) develops, manufactures, tests and evaluates small jet engines for unmanned aerial vehicles (UAVs). The company manufactures gas turbine engine parts, turbine airfoils, integral compressor and turbine wheels. It also provides maintenance, repair and overhaul (MRO) services to military

and civil aviation customers, apart from machining of large rotor parts. The company's other services include fabrication of sheet metal parts such as flame-holders and combustors. BSEH operates through its holding subsidiary, Bet Shemesh Engines Ltd. (BSEL), and a precision casting company of BSEL, Livnica Preciznih Odlivaka (LPO), Serbia. BSEH is headquartered in Bet Shemesh, Israel.

This business intelligence report presents the key company information, essential to understanding industry challenges and competitors.

The SWOT analysis identifies the company's strengths, weaknesses, opportunities for growth and threats. The key competitors are dissected alongside the larger challenges that the industry is facing.

The company profile relays all current information about the business operations, including key employees, major products and services, company history, locations and subsidiaries alongside a supporting statement from the Chairman and Managing Director.

REASONS TO BUY

Quickly enhance your understanding of 'Bet Shemesh Engines Holdings (1997) Ltd.'

Gain insight into the marketplace and a better understanding of internal and external factors which could impact the industry.

Increase business/sales activities by understanding your competitors' businesses better.

Recognize potential partnerships and suppliers.
