Gain insight into the marketplace and a better understanding of internal and external factors which could impact the industry.

Increase business/sales activities by understanding your competitors' businesses better.

Recognize potential partnerships and suppliers.

## KEY HIGHLIGHTS

Biocurv Medical instruments, Inc. (BMI) is a producer of oral care products. The company primarily offers tongue cleaning instruments including biocompatible and medical grade tongue cleaners and tongue scrapers. BMI's professional grade tongue sweepers are coated with the company's patented SureCoat, a non-allergic coating technology. These products are used to remove harmful oral bacteria and soft plaques and are designed for the medical professionals and for individuals to use at home. The company's products are distributed through a network of retailers across the world. It also sells products through its online website [www.biocurv.com](http://www.biocurv.com). BMI is headquartered in Canton, Ohio, the US.

## Contents

### **1 BIOCURV MEDICAL INSTRUMENTS, INC. - BUSINESS ANALYSIS**
