Highlights

Boralex Inc (Boralex) is a renewable energy company. The company develops, builds, and operates renewable energy power facilities. Its asset portfolio includes wind, hydro, thermal, and solar projects. Boralex's thermal power division produces power and steam through wood-residue fired power station and natural gas cogeneration power station. The company sells electricity that it generates under long term contracts. Boralex also has interests in various projects under development stages. The company promotes environmental protection, from protecting biodiversity and conserving natural habitats to managing residual materials and reducing the air emissions. It operates renewable energy power plants in France, Canada, the US and the UK. Boralex is headquartered in Kingsey Falls, Quebec, Canada.
