Highlights

Burmeister & Wain Scandinavian Contractor A/S (BWSC), a subsidiary of MESCO Denmark A/S, is an engineering, procuring and contracting company that develops, builds, owns and operates engine-based, and boiler-based power plants. The company also develops, operates and undertakes contracts for medium to large-scale power plants. BWSC handles projects for conventional fossil-fueled power plants, renewable and waste-to-energy technologies. It undertakes project development, plant design, construction, rehabilitation, operation and maintenance, and financing activities. The major activities include provision of tailored power plants, provision of power plant generation services, and investments in power plants. The company also develops Independent Power Producer projects. BWSC is headquartered in Allerød, Denmark.
