Abstracts

SUMMARY

Strategic Defence Intelligence's 'CAE Inc.: Aerospace and Defense - Company Profile, SWOT and Financial Analysis' contains in depth information and data about the company and its operations. The profile contains a company overview, key facts, major products and services, SWOT analysis, business description, company history, key competitors, financial analysis, mergers and acquisitions, recent developments, key employees as well as company locations and subsidiaries.

KEY FINDINGS

This report is a crucial resource for industry executives and anyone looking to access key information about 'CAE Inc.'

The report utilizes a wide range of primary and secondary sources, which are analyzed and presented in a consistent and easily accessible format. Strategic Defence Intelligence strictly follows a standardized research methodology to ensure high levels of data quality and these characteristics guarantee a unique report.

SYNOPSIS

CAE Inc. (CAE) provides training and aviation services for both civil and military applications. It offers training services for pilots and maintenance technicians, and defense and security forces. The company provides various services such as modeling, simulation, in-service support, integrated enterprise solutions and crew sourcing. It also develops, designs and manufactures military flight simulation equipment and software

tools for military aircraft. Additionally, it offers a comprehensive range of simulation solutions consisting of surgical and imaging simulation, center management and highly realistic adult simulators, and pediatric and baby patient simulators for healthcare professionals and students. CAE is headquartered in Montreal, Quebec, Canada.

This business intelligence report presents the key company information, essential to understanding industry challenges and competitors.

The SWOT analysis identifies the company's strengths, weaknesses, opportunities for growth and threats. The key competitors are dissected alongside the larger challenges that the industry is facing.

The company profile relays all current information about the business operations, including key employees, major products and services, company history, locations and subsidiaries alongside a supporting statement from the Chairman and Managing Director.

REASONS TO BUY

Quickly enhance your understanding of 'CAE Inc.'

Gain insight into the marketplace and a better understanding of internal and external factors which could impact the industry.

Increase business/sales activities by understanding your competitors' businesses better.

Recognize potential partnerships and suppliers.

KEY HIGHLIGHTS

CAE Inc. (CAE) provides training and aviation services for both civil and military applications. It offers training services for pilots and maintenance technicians, and defense and security forces.
