## Highlights

Canadian Solar Inc (Canadian Solar) is a provider of solar energy solutions. The company designs, develops and manufactures solar ingots, wafers, modules, cells, and other solar power products. Its broad range of solar modules find application in residential, commercial and industrial solar power generation systems; and specialty solar products include customized solar modules that customers incorporate into their own products such as portable solar home systems. Canadian Solar serves distributors, project developers, system integrators and installers and EPC companies across Asia, America, Europe and other regions. It has manufacturing facilities in China, Taiwan, Canada, Vietnam, Thailand and Indonesia, and offices across the world. Canadian Solar is headquartered in Guelph, Ontario, Canada.
