Highlights

CitiPower and Powercor is a combined electricity distribution service provider. The group comprises two electricity distribution networks, Citipower and Powercor Australia, which are operated under a single corporate structure. CitiPower owns and manages poles and wires, which deliver electricity. It provides power for customers in Melbourne's central business district (CBD) and inner suburbs. Powercor delivers electricity for customers in western and central Victoria and Melbourne's outer western suburbs. In addition to this, it provides smart meter installation services, electrical connection services, solar/wing inverter connection services, demand management and supply of power to remote areas. The group serves customers in Central and Western Victoria. CitiPower and Powercor is headquartered in Melbourne, Victoria, Australia.
