- Executive biographies – A brief summary of the executives' employment history.
- Key operational heads – A list of personnel heading key departments/functions.
- Important locations and subsidiaries – A list of key locations and subsidiaries of the company, including contact details.

Highlights

Consumers Energy Company (Consumers), formerly Consumers Power, is an electric and natural gas utility. The company generates purchases, transmits, distributes, and sells electricity. It also carries out the purchase, transmission, storage, distribution, and sale of natural gas. It generates electricity from coal-fired and oil-fired generating plants, hydroelectric plants, a pumped storage generating plant, and several combustion-turbine plants, among others. The company owns and operates gas transmission, storage, and distribution facilities. It serves individuals and businesses in the fields of alternative energy, automotive, chemical, metal, and food products industries, and also a diversified group of other industries in Michigan's Lower Peninsula. The company operates as a subsidiary of CMS Energy Corporation. Consumers is headquartered in Jackson, the US.
