Highlights

CS Energy Ltd (CS Energy) is a state-owned energy company. It generates electricity from coal-fired power stations and pumped storage hydro generator; and sells that power in the National Electricity Market. The company owns and operates Callide B and Kogan Creek power stations. Through the Gladstone Interconnection and Power Pooling Agreement, the company trades energy in the grid. CS Energy has trading interests in Gladstone Power Station. It offers electricity to homes and businesses in South East Queensland; and provides retail services to large commercial and industrial customers in Queensland. CS Energy is headquartered in Queensland, Australia.
