Abstracts

dacadoo - Tech Innovator Profile

SUMMARY

dacadoo provides life and health insurers with digital solutions that help individuals track, manage, and benchmark their fitness levels.

This report provides insight into dacadoo, including an overview of the company and its product offering, information on its funding and partnerships, and biographies of key senior management.

SCOPE

Named one of Europe's top 100 digital pioneers by the Financial Times, Google, and leading European policymakers

dacadoo's Health Engagement platform acts as a health and wellbeing navigator, providing users with a customized health score scaled between 1 (bad) and 1,000 (good), based on their body values, emotional wellbeing, and physical activities.

REASONS TO BUY

Gain insight into dacadoo's business operations.

Learn about its partnerships and funding.

Understand the company's technology focus.
