Quickly enhance your understanding of 'De Beers s.a.'

Gain insight into the marketplace and a better understanding of internal and external factors which could impact the industry.

Increase business/sales activities by understanding your competitors' businesses better.

Recognize potential partnerships and suppliers.

KEY HIGHLIGHTS

De Beers s.a. (De Beers) is a diamond mining and marketing company. The company, along with its subsidiaries, is involved in the exploration, mining and marketing of rough diamonds. The company produces and markets rough diamonds from its mining operations located in Botswana, Namibia, South Africa and Canada. In Botswana and Namibia, it owns diamond mines in equal share with the respective governments through joint ventures Debswana and Namdeb, respectively. It owns and operates mines in Canada and has 26% interest in South African mines through its partner, Ponahalo Holdings. The company, together with its joint venture partners, operates in more than 20 countries across six continents. The company is a subsidiary of Anglo American plc. De Beers is headquartered in Luxembourg.
