Abstracts

SUMMARY

SDI's 'Delfasco, LLC: Aerospace and Defense - Company Profile and SWOT Analysis' contains in depth information and data about the company and its operations. The profile contains a company overview, key facts, major products and services, SWOT analysis, business description, company history, key employees as well as company locations and subsidiaries.

KEY FINDINGS

This report is a crucial resource for industry executives and anyone looking to access key information about 'Delfasco, LLC'

The report utilizes a wide range of primary and secondary sources, which are analyzed and presented in a consistent and easily accessible format. SDI strictly follows a standardized research methodology to ensure high levels of data quality and these characteristics guarantee a unique report.

SYNOPSIS

Delfasco, LLC (Delfasco) is a full line metal fabricator and steel products manufacturing company with focus on defense applications. The company mainly provides ammunition containers, pallets and pallet containers, suspension lugs and conical fin assemblies. It provides practice bombs, which are used by the US Air Force, Navy and Marine organizations or agencies for training purposes. Its capabilities include stamping, welding, machining, finishing and assembling. Its key clients include the US Department

of Defense (DoD) and some of the largest defense contractors worldwide, including Lockheed Martin, General Dynamics, SAIC and Sargent Fletcher. Delfasco is headquartered in Afton, Tennessee, the US.

This business intelligence report presents the key company information, essential to understanding industry challenges and competitors.

The SWOT analysis identifies the company's strengths, weaknesses, opportunities for growth and threats. The key competitors are dissected alongside the larger challenges that the industry is facing.

The company profile relays all current information about the business operations, including key employees, major products and services, company history, locations and subsidiaries alongside a supporting statement from the Chairman and Managing Director.

REASONS TO BUY

Quickly enhance your understanding of 'Delfasco, LLC'

Gain insight into the marketplace and a better understanding of internal and external factors which could impact the industry.

Increase business/sales activities by understanding your competitors' businesses better.

Recognize potential partnerships and suppliers.
