- Executive biographies – A brief summary of the executives' employment history.
- Key operational heads – A list of personnel heading key departments/functions.
- Important locations and subsidiaries – A list of key locations and subsidiaries of the company, including contact details.

Highlights

East Kentucky Power Cooperative, Inc. (EKPC) is a not-for-profit electric utility that generates and transmits electricity. The company generates electricity from coal-fired, natural gas-based and landfill-methane power plants. EKPC procures hydro power under long-term agreements with the Southeastern Power Administration (SEPA). The cooperative operates landfill methane plants in Boone, Laurel, Mason, Greenup, Hardin and Pendleton counties. It supplies the electricity generated to its member-owner distribution cooperatives, which further distribute the electricity to retail customers in Central and Eastern regions of Kentucky. EKPC is headquartered in Winchester, Kentucky, the US.
