Highlights

EBN BV (EBN) is an independent oil and natural gas company that carries out exploration, production, storage and trading of oil and natural gas. The company participates in nearly all the exploration and production activities in the Netherlands. It also has investments in domestic oil and natural gas storage industry. It owns interests in joint projects with national and international oil and gas companies in both onshore and offshore fields, including the gas production in Groningen. EBN sells gas through GasTerra B, which provides natural gas and green gas. The company along with its joint ventures and affiliated companies operates in the Netherlands. It also advises the Dutch government on the mining climate and on new opportunities for making use of the Dutch subsurface. EBN is headquartered in Utrecht, the Netherlands.

EBN BV Key Recent Developments

May 10,2021: Netherlands' Porthos carbon storage project secures subsidies

Jan 12,2021: First gas for Wintershall Noordzee from Sillimanite South field

Dec 10,2020: Neptune Energy announces feasibility study into CCS plan for Netherlands

Sep 28,2020: Wintershall Noordzee successfully develops 3rd Sillimanite well
