Highlights

Edison International (Edison) is an energy holding company. The company generates and distributes electric power; and invests in energy services and technologies, including renewable power, through its subsidiaries. It develops solar products and carries out commercial rooftop installation of photovoltaic panels. Edison, through its group companies, manufactures electric-drive buses and zero-emission commercial vehicles; provides financial services, conducts transmission and explores distributed water treatment and recycling. The company operates nuclear plants, hydroelectric plants, a diesel plant, natural gas, and photovoltaic plants. It serves customers including commercial, residential, industrial, agricultural and public authorities. Through its subsidiary, Southern California Edison (SCE), the company serves central, coastal and Southern California. Edison is headquartered in Rosemead, California, the US.
