Highlights

Eguana Technologies Inc (Eguana), is a power electronics company that designs, manufactures and supplies high performance power control solutions for grid interactive energy storage systems. The company's power control solutions charge and discharge batteries, which convert alternating current (AC) to direct current (DC). It also charges and converts DC to AC to discharge batteries through seamless bi-directional conversion process. Its products find application in battery manufacturers, solar PV installers, renewable energy equipment aggregators, and energy service industries. It operates manufacturing facilities in Europe and North America. Eguana is headquartered in Calgary, Alberta, Canada.
