## Highlights

El Paso Electric Co (El Paso) is a vertically integrated electric utility. It generates, transmits, and distributes power. The company produces energy using nuclear, natural gas, and coal sources; and procures electricity from conventional and renewable energy producers. El Paso has ownership and operational interest in various power generation facilities. It retails electricity to residential, commercial, industrial, public authority, and other customers in Texas and New Mexico; and sells for resale to other electric utilities and power marketers on wholesale basis. The company's service area extends from Hatch in New Mexico to Van Horn in Texas, and includes connections to Juarez in Mexico and national utility in that country, Comision Federal de Electricidad. El Paso is headquartered in El Paso, Texas, the US.
