Executive biographies – A brief summary of the executives' employment history.

Key operational heads – A list of personnel heading key departments/functions.

Important locations and subsidiaries – A list of key locations and subsidiaries of the company, including contact details.

## Highlights

Electricity Generating Authority of Thailand (EGAT) is a state-owned power utility. It generates, procures, transmits, and distributes electricity. The authority produces energy using hydro, coal, natural gas, geothermal, wind, solar, diesel, fuel oil and palm oil, among others. EGAT procures electricity from neighboring countries and domestic IPPs and SPPs on wholesale basis. It supplies energy to the Metropolitan Electricity Authority, Provincial Electricity Authority, legal power users, and neighboring utilities. The authority also offers electrical engineering, and power plant construction, operation and maintenance services; and sells power generation by-products to external organizations in ASEAN countries. EGAT is headquartered in Bang Kruai, Nonthaburi, Thailand.

### Electricity Generating Authority of Thailand Key Recent Developments

Nov 03,2021: World's largest Hydro-Floating Solar Hybrid at Sirindhorn Dam begins commercial operation and EGAT to move ahead with 15 more projects nationwide
