Abstracts

Electricity Supply Board - Power Plants and SWOT Analysis, 2018 Update

Summary

The report contains a detailed description of the power generation company's business operations, history, corporate strategy, and business structure. This report contains a detailed SWOT analysis, information on key employees (executives), and major products and services.

Scope

Major Power Plants (assets) - summarized and detailed information about the power plants (assets).

Operational Metrics (capacity, generation, revenue, sales, number of consumers).

Business description - A detailed description of the company's operations and business divisions.

Corporate strategy - GlobalData's summarization of the company's business strategy.

SWOT analysis - A detailed analysis of the company's strengths, weakness, opportunities and threats.

Company history - Progression of key events associated with the

company.

Major products and services - A list of major products, services and brands

Key employees - A list of the key executives and personnel heading key departments/functions.

Executive biographies - A brief summary of the executives' employment history.

Financial deals - Coverage of key financial deals from 2006 onwards, depending upon information availability

Important locations and subsidiaries - A list of key locations and subsidiaries of the company, including contact details.

Note: Some sections may be missing if data is unavailable for the company.

Reasons to buy

Gain key insights into the company for academic or business research purposes. Key elements such as SWOT analysis, corporate strategy and major products and services are incorporated in the profile to assist in various business decisions (M&A and JV).

Identify potential customers and suppliers with this report's analysis of the company's business structure, operations, major products and services and business strategy.

Understand and respond to competitors' business structure and strategies with GlobalData's detailed SWOT analysis. In this, the company's core strengths, weaknesses, opportunities and threats are analyzed, providing an up to date objective view of the company.

Electricity Supply Board, Deals Summary
Electricity Supply Board, Power, Deal Details
Asset Transactions
Electricity Supply Board Acquires Mill Farm Battery Storage Project in UK from Anesco
Electricity Supply Board Acquires 12.5% Stake in Galloper Wind Farm in England, UK from Macquarie Group
Bord na Mona and Electricity Supply Board to Invest USD545.5 Million in Four Solar Power Plants in Ireland
Airvolution Energy Acquires Kinegar Quarry Wind Project in Scotland, UK from Wind Prospect
ESB International Invests US\$238.9 Million In Two Wind Farms In Spain
Electricity Supply Board and Coillte Complete Project Financing for Castlepook Wind Farm Project in County Cork, Ireland
Coillte and ESB Complete Project Financing for Raheenleagh Wind Project in Wicklow, Ireland
UK Green Investment Bank, Electricity Supply Board and Aalborg Energie Technik Announce Project Financing for Tilbury Green Power Biomass Power Plant in Essex, England, UK
Airvolution Completes Project Financing For Ysgellog Wind Farm In Wales, UK
Carrington Power Completes Project Financing For Carrington Power Project In UK

ESB International Receives Grant Of USD23.5 Million For WestWave Ocean Energy Project In Ireland

Partnerships

Electricity Supply Board to Form Partnership with Coriolis Energy to Develop Nine Wind Projects in England and Scotland, UK

Asset Transactions

ArcLight Capital Partners Completes Acquisition Of Amorebieta CCGT Power Plant In Spain From ESB And Osaka Gas UK

Capital Dynamics To Acquire Ysgellog Wind Farm In UK From Airvolution Energy

Meag Munich Ergo Asset Management Completes Acquisition of 50% Stake In Marchwood Power Plant In UK from Electricity Supply Board

ESB To Sell West Offaly Power Plant In Ireland

ESB To Sell Lough Ree Power Plant In Ireland

Acquisition

Electricity Supply Board Acquires Minority Stake in Terra Solar for USD2.7 Million

Recent Developments

Electricity Supply Board - Recent Developments
