## Highlights

Elia Group SA (Elia) formerly known as Elia System Operator SA, is a transmission system operator that owns and operates high-voltage electricity transmission systems in Belgium and Germany. The company transmits electricity from generators to distribution system operators and industrial consumers. Elia also imports and exports electricity from and to neighbouring countries. It offers various ancillary services, including primary reserve, secondary reserve and compensation for grid losses, among others. The company also offers a range of consultancy and engineering services to third party system operators. Elia is headquartered in Brussels, Bruxelles-Capitale, Belgium.
